Reliability & Safety - WYVERN and ARG/US audits each and every aircraft to ensure maximum safety

- 1) Fractional ownership based on 1/8 share = 100 hrs/ year, 500 hrs/ 5 years contract.
 - 2) Includes cost of 2 pilots for Light and Medium size jets and 2 pilots and 1 crew for Heavy jet, training hangaring and insurance.
 - 3) Hourly rate includes fuel, maintenance, standard catering and normal landing fees.
 - 4) Average hourly rate includes acquisition cost over 5 years, monthly management fee; and average hourly rate for 100 hours.
- *Information based upon 5 year fractional contract period 1/8 share = 500 total hours. Example is intended to be a representative of a "typical" fractional program and does not illustrate any particular program.
All assumptions are prior to excise tax consideration. Fractional rates effective for 2003. SkyCard rates effective for 2003.
